

Temporary work. Your gateway to the wide world of work. It encompasses all professions and people from all walks of life: specialists, support staff, novices, experienced personnel and those who are looking to try something new.

Temporary work powered by  **swissstaffing**
50 years Swiss Association
of Recruitment Agencies

Temporary work. **Experience never hurts.** The chance to broaden your professional horizons and break new ground in various sectors: temporary jobs are a great way to kick-start your career.

Temporary work. **Things weren't necessarily better back in the day.** The situation for temporary workers is much better now than it was in the past: they are covered by the CBA, have a pension fund and receive ample career development opportunities.

A CBA for temporary staff: for a secure income.

Temporary work. **Also means temporarily not working.** Use your free time to go traveling or take a training course. Temporary workers are free to choose exactly when they work – and for how long.

Temporary work. **Easing back into things.** After taking parental leave or an extended break from work, a temporary position can be a good way to acclimatize to the world of work again.

Temporary work. **Find and be found.** Recruitment agencies are the quickest and simplest option: they are in touch with a wide range of companies, have a huge database of vacancies and will help secure the best terms for you.

Recruitment agencies: certified services are the way to go.

Temporary work. **If you're looking for a permanent job.** People who take on temporary work increase their chances of securing a permanent position, with around 50% being offered an open-ended contract within a year.

Temporary work. **Would you like a little less?** Life should involve less stress and more happiness. Use your free time to do one of those projects that you've been putting off. And consider this: your experience could qualify you to do something completely different.

Temporary work. **Putting the theory into practice.** Practical experience helps enhance academic knowledge. This has a positive effect on your starting salary once you've graduated.

Temporary work. For people who know their business.
Did you know? More than two-thirds of temporary workers in Switzerland are contracted to complete specialist assignments – and this figure is increasing all the time.

Temporary work. **Talented professionals wanted.** Take courses to further hone your knowledge and skills. temptraining can help you with the financial side of things.

Temporary work. **Specialist minds for special projects.** If you're an expert in your field and want to show what you're capable of, temporary work is an ideal opportunity to put your skills to the test on a range of unique projects.

Temporary work. **Less theory. More practice.** Don't get trapped inside your head – take on a temporary job that focuses on the practical side of things. A change of scenery can give you new ideas on where to go next.

Temporary work. **It doesn't have to be forever.** Working in the weeks or months leading up to your studies brings two benefits. One: you earn some extra cash. Two: you gain valuable life experience.

Safety in the
workplace:
a top priority.

Temporary work. **Take a flexible approach to life.** Try out different positions, leave no stone unturned, gain experience, learn new things, bide your time and keep your options open – these are the hallmarks of the new generation of employees.

Temporary work. **Stability requires flexibility.** Companies can only keep their services consistent if they have the staff to compensate for high workloads or illness within their ranks.

Temporary work. **To put it simply.** 'Temporary work' isn't a catch-all term for any situation involving flexible, fixed-term employment arrangements. It's a proper form of employment which is clearly defined by law and comes with full social security.

swisstaffing.
Flexibility requires stability.

Recruitment agencies offer flexibility to employers and employees alike. This flexibility requires firm foundations in order for it to work.

This is why, more than 50 years ago, a group of recruitment agencies joined forces to form swisstaffing.

swisstaffing represents the interests of its members, supports the recruitment industry as a whole and is dedicated to organizing temporary work.
